 - Approved 6 projects
 - derived – completed 6
- TOTAL approved: 60 projects

Projects of LAG 2014 - 2022

Percentage of projects according to each thematic area

TP1: Creation of new jobs

TP2: Development of basic services

TP3: Environmental protection and nature conservation

TP4: Greater involvement of young people, women and other vulnerable groups

International projects of cooperation

- Let's connect farmers' markets along the border – Italian LAG
- Marketing of tourist farms Brkini and Karst area – Italian LAG
- Soft version of Sustainable protected areas (our projects)
- We have prepared three more international cooperation projects for the latest tenders of the ministry – the main topics were local cuisine, culinary events, rural tourism and organic agricultural products.

International projects of LAG

- **Program Grundtving -**
Innovative Adult Education
for Sustainable Rural
Development (6 partnerjev)
- **Program Intereg SLO – IT –**
PESCA Education for
healthy eating

International projects of LAG

- **Program Erasmus+:**

Raising the quality of adult education and the organization's performance

- **Program Europe for citizens:**

WONET - women in network

Examples of good practices or implemented LAG projects

- The presentation of the projects is on the website: www.las-snezniknanos.si/projekti
- Brochures, promotional films, TV reports www.las-snezniknanos.si/publikacije

Strategic directions of the new period

- We are currently preparing a new Local Development Strategy
- It is difficult to predict the final decision on the Strategy's priorities
- We can tentatively predict similar topics as in cooperation projects:
 - local cuisine
 - culinary events
 - rural tourism and
 - organic agricultural products
 - the development of rural tourism

Expectations for cooperation projects of the new period

- Our wish: to continue the project that we implemented only in the soft version: **Management of protected areas**
- target groups: visitors to protected areas – all vulnerable groups
- Activities: arrangement of visiting areas – a place to rest, entry points to the protected area, arrangement of access for visitors
 - interactive forms of education for visitors in accordance with environmental protection guidelines
 - transfer of good practices of project partners
- Partners: municipalities of LAG, international LAGs
- Duration: 2024
